

**DRUG ENFORCEMENT ADMINISTRATION
NEW ENGLAND FIELD DIVISION
STUDENT VOLUNTEER POSITIONS FOR SUMMER 2017**

ANNOUNCEMENT: **SUMMER 2017**

ANNOUNCEMENT PERIOD: The DEA New England Field Division Student Volunteer Internship Program will be accepting resumes for student volunteer positions for Summer 2017 Semester.

Opening Date: November 15, 2016

Closing Date: December 15, 2016

Resumes received prior to November 15, 2016 and after December 15, 2016 **WILL NOT** be accepted.

HOW TO APPLY: All resumes **MUST** be submitted to the following email:
NEFDStudentVolunteers@usdoj.gov

Please reference “**Announcement SUMMER 2017**” in the email.

INCLUDE IN THE EMAIL: **DEA Office of preference (please refer to the website for office locations)**

DUTIES: Student Volunteer Interns will be provided the opportunity to apply their educational knowledge to the real work force and gain valuable experience in the various functions of an investigative mission. Some duties of a student volunteer intern may include assisting enforcement groups in a **NON-ENFORCEMENT CAPACITY**, gathering data and research information related to drug prevention.

QUALIFICATIONS REQUIRED: In order to participate in the DEA Student Volunteer Internship Program, the student must meet all the following requirements:

- Must be enrolled in an accredited university/college
- May not be enrolled in accredited university/college less than half-time (written certification from the university/college is required)
- Must be in good academic standing and eligible to continue as an enrolled student in his/her university/college
- Must have at least a 2.95 overall GPA
- Must be at least 18 years of age
- Must be a United States citizen
- Never been convicted of a felony or a crime of domestic violence
- Never used **ANY** illegal drugs beyond experimental use of marijuana (completion of Drug Questionnaire required and intern subject to drug testing)

* There will be no discrimination based on race, sex, color, religion, national origin, lawful political affiliation, physical or mental handicap, or marital status in the volunteer service program.
